A Corrigendum on

Exploring Peritumoral Neural Tracts by Using Neurite Orientation Dispersion and Density Imaging

by Chong, S. T., Liu, X., Kao, H.-W., Lin, C.-Y. E., Hsu, C.-C. H., Kung, Y.-C., et al. (2021). Front. Neurosci. 15:702353. doi: 10.3389/fnins.2021.702353

In the original article, there was an error. A typographical error was made for the IRB No. in the Ethics Statement.

A correction has been made to "*Ethics statement.*" The corrected statement is below.

The studies involving human participants were reviewed and approved by Institutional Review Board, Tri-Service General Hospital (TSGHIRB No. 1-102-05-109) Institutional Review Board, First Hospital of Jilin University (2017-465). The patients/participants provided their written informed consent to participate in this study. Written informed consent was obtained from the individual (s) for the publication of any potentially identifiable images or data included in this article.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
