## A corrigendum on

### Global Text Mining and Development of Pharmacogenomic Knowledge Resource for Precision Medicine

by Guin, D., Rani, J., Singh, P., Grover, S., Bora, S., Talwar, P., et al. (2019). *Front. Pharmacol.* 10:839. doi: 10.3389/fphar.2019.00839

In the original article, **Supplementary Table 11** is missing, as published. **Supplementary Table 11** is mentioned in the article text in *Discussion* section, para 4, but it is missing from the Supplementary file. Also, **Supplementary Table 12** mentioned under section ‘**A Resource for Pharmacogenomic Evaluation**’ in the original article should be **Supplementary Table 11**.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
