A corrigendum on Editorial: Explainable artificial intelligence models and methods in finance and healthcare

by Caffo, B. S., D'Asaro, F. A., Garcez, A., and Raffinetti, E. (2022). *Front. Artif. Intell.* 5:970246.
doi: 10.3389/frai.2022.970246

In the published article, there was an error in the Acknowledgments statement. The mistake was related to the part referring to the ER acknowledgments, and more precisely in the Grant Agreement No. of the European xAIM (eXplainable Artificial Intelligence in healthcare Management), which was incorrectly written as INEA/CEF/ICT/A2020/2265375. The correct Acknowledgments statement appears below:

Acknowledgments

The editors of the special issue would like to thank the Frontiers editorial staff, the authors for their precious contributions to the special issue and the reviewers for their timely review work. ER acknowledges support from the European xAIM (eXplainable Artificial Intelligence in healthcare Management) project supported by the CEF Telecom under Grant Agreement No. INEA/CEF/ICT/A2020/2276680.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
