CABG, short-term clinical outcomes, propensity score matching, off-pump, on-pump

A corrigendum on

Off-pump or on-pump coronary artery bypass at 30 days: A propensity matched analysis

by Wang, C., Jiang, Y., Song, Y., Wang, Q., Tian, R., Wang, D., Dong, N., Jiang, X., Chen, S., and Chen, X. (2022). *Front. Cardiovasc. Med.* 9:965648. doi: 10.3389/fcvm.2022.965648

In the published article, there was an error in affiliation(s) [1]. Instead of “[Department of Cardiovascular Surgery, Tongji Medical College, Union Hospital, Huazhong University of Science and Technology, Wuhan, China]”, it should be “[Department of Cardiovascular Surgery, Union Hospital, Tongji Medical College, Huazhong University of Science and Technology, Wuhan, China]”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
