## SPECIALTY SECTION

This article was submitted to  
Molecular Bacterial Pathogenesis,  
a section of the journal  
Frontiers in Cellular and  
Infection Microbiology

RECEIVED 23 December 2022

ACCEPTED 30 December 2022

PUBLISHED 10 January 2023

## CITATION

## KEYWORDS

antibiotic resistance genes (ARGs), multidrug resistance (MDR), virulence factor genes (VFGs), mobile genetic elements (MGEs), India, *Acinetobacter baumannii*

## A Corrigendum on

Diversity of resistant determinants, virulence factors, and mobile genetic elements in *Acinetobacter baumannii* from India: A comprehensive in silico genome analysis.

by Kumkar SN, Kamble EE, Chavan NS, Dhotre DP and Pardesi KR (2022) *Front. Cell. Infect. Microbiol.* 12:997897. doi: 10.3389/fcimb.2022.997897

In the published article, there was an error in the author list, and author Dr. Dhiraj P. Dhotre was erroneously excluded as the corresponding author. The corrected author list appears below.

“Shital N. Kumkar<sup>1</sup>, Ekta E. Kamble<sup>1</sup>, Nikeeta S. Chavan<sup>2</sup>, Dhiraj P. Dhotre<sup>2\*</sup>, Karishma R. Pardesi<sup>1\*</sup>”

In the published article, there was an error in the Funding statement. We did not acknowledge the Director, NCCS, Pune for providing financial support for article processing charges. The correct Funding statement appears below.

## Funding

This work was supported by the Department of Science and Technology, India under the scheme Promotion of University Research and Scientific Excellence (DST-PURSE, GOI-A670), University with Potential for Excellence Phase II program (UGC-262-A-2) implemented at Savitribai Phule Pune University, and the Director, NCCS, Pune. SK is a

recipient of the CMSRF 2019 fellowship provided by SARTHI, Pune. The funders had no role in study design, data collection and analysis, decision to publish, or preparation of the manuscript. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
