monkeypox, MPOX infection, MPOX vaccination, MPOX immunity, MPOX diagnosis

A Corrigendum on

The prospective outcome of the monkeypox outbreak in 2022 and characterization of monkeypox disease immunobiology

by Qudus MS, Cui X, Tian M, Afaq U, Sajid M, Qureshi S, Liu S, Ma J, Wang G, Faraz M, Sadia H, Wu K and Zhu C (2023) *Front. Cell. Infect. Microbiol.* 13:1196699. doi: 10.3389/fcimb.2023.1196699

In the published article, there was an error regarding the affiliations for authors Siyu Liu, Kailang Wu and Chengliang Zhu. Author Siyu Liu should instead of having affiliation 1, have “State Key Laboratory of Virology, College of Life Sciences, Wuhan University, Wuhan, China”. Author Kailang Wu should instead of affiliation 1, have “State Key Laboratory of Virology, College of Life Sciences, Wuhan University, Wuhan, China”. Author Chengliang Zhu should, instead of affiliation 2 have “Department of Clinical Laboratory, Institute of Translational Medicine, Renmin Hospital of Wuhan University, Wuhan, Hubei, China”. The corrected affiliations appear above.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
