A Corrigendum on

The science behind TCM and Gut microbiota interaction—their combinatorial approach holds promising therapeutic applications

by Xia W, Liu B, Tang S, Yasir M and Khan I (2022) *Front. Cell. Infect. Microbiol.* 12:875513. doi: 10.3389/fcimb.2022.875513

Incorrect affiliation

In the published article, there was an error in affiliation 1. Instead of “The First Affiliated Hospital of Chengdu University of Traditional Chinese Medicine, Chengdu, China”, it should be “Hospital of Chengdu University of Traditional Chinese Medicine, Chengdu, China”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
