A Corrigendum on

The Preparation of Hollow Mesoporous Bioglass Nanoparticles With Excellent Drug Delivery Capacity for Bone Tissue Regeneration

by Wang, Y., Pan, H., and Chen, X. (2019). *Front. Chem.* 7:283. doi: 10.3389/fchem.2019.00283

In the original article, there was a mistake in **Figure 1** as published. The panel b1 was reproduced from a previous article without the appropriate attribution. The corrected **Figure 1** appears below.

In the original article, there was a mistake in **Figure 4** as published. Two panels in this figure (HMBG-1 and HMBG-2) were reproduced from a previous article without the appropriate attribution. The corrected **Figure 4** appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
