A corrigendum on

Patient Perceptions About Acne, Nutrition, and a Dietary Information Gap

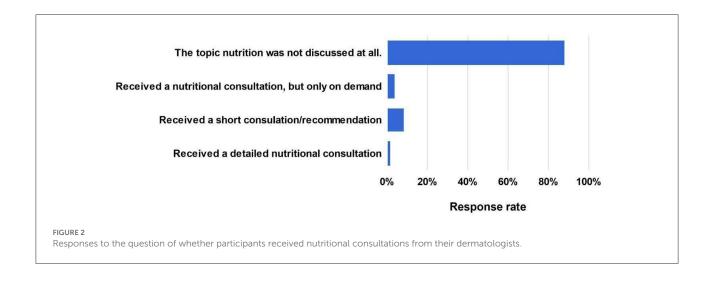

by Smollich, M., and Tischner, L. (2022). Front. Commun. 7:842443. doi: 10.3389/fcomm.2022.842443

In the published article, there was an error in Figure 2 and Figure 3 as published. The labelling of the individual bars in the diagrams was incorrectly assigned. The corrected Figure 2 and Figure 3 and their captions appear below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
