An Erratum on

Risk-Based Warning Decision Making of Cascade Breaching of the Tangjiashan Landslide Dam and Two Smaller Downstream Landslide Dams

by Zhu, Y., Peng, M., Cai, S., and Zhang L (2021) *Front. Earth Sci.* 9:648919. doi: 10.3389/feart.2021.648919

Due to an oversight during review, an existing conflict of interest between the handling editor and one of the authors was not declared. The updated Conflict of Interest statement can be seen below.

The publisher apologizes for this mistake. The original article has been updated.

Conflict of Interest: YZ was employed by the company China Shipbuilding NDRI Engineering Co., Ltd.

The remaining authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.

The handling editor declared a past co-authorship with one of the authors (LZ).
