

Corrigendum: Three Histories of Greening and Whiteness in American Cities

James J. T. Connolly^{1,2*} and Isabelle Anguelovski^{2,3}

¹ School of Community and Regional Planning, University of British Columbia, Vancouver, BC, Canada, ² Barcelona Lab for Urban Environmental Justice and Sustainability, Institute of Environmental Sciences and Technology (ICTA), Universitat Autònoma de Barcelona, Barcelona, Spain, ³ Catalan Institution for Research and Advanced Studies, Barcelona, Spain

Keywords: race and greening, green justice, urban greening, green gentrification, social-ecological conflict, urban ecology and sustainability

A Corrigendum on:

Three Histories of Greening and Whiteness in American Cities

by Connolly, J. J. T., and Anguelovski, I. (2021). *Front. Ecol. Evol.* 9:621783. doi: 10.3389/fevo.2021.621783

In the original article, the authors neglected to include the acknowledgement: “The authors would also like to acknowledge that some of the greenspace and qualitative data used in this paper are based on datasets developed by several members of the Barcelona Lab for Urban Environmental Justice and Sustainability. In particular, we would like to acknowledge that the qualitative analysis of Cleveland was based on the draft of a book chapter co-authored by Margarita Triguero-Mas and Wendy A. Kellogg, which will be published in full form soon after this article in the forthcoming book published by Routledge and edited by Isabelle Anguelovski and James J. T. Connolly, *The Green City and Social Injustice: 21 tales from North America and Europe.*” A correction has been made to the Author Contributions section.

Corrected Author Contribution Section:

JC primarily conceived the manuscript, completed all quantitative and spatial analysis, co-developed the qualitative analysis, and primarily drafted the text. IA co-developed the qualitative analysis, contributed to writing sections of the text, and edited the full text. Both authors contributed to the article and approved the submitted version. The authors would also like to acknowledge that some of the greenspace and qualitative data used in this paper are based on datasets developed by several members of the Barcelona Lab for Urban Environmental Justice and Sustainability. In particular, we would like to acknowledge that the qualitative analysis of Cleveland was based on the draft of a book chapter co-authored by Margarita Triguero-Mas and Wendy A. Kellogg, which will be published in full form soon after this article in the forthcoming book published by Routledge and edited by Isabelle Anguelovski and James J. T. Connolly, *The Green City and Social Injustice: 21 tales from North America and Europe.*

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
