## KEYWORDS

privacy, personal data, neural networks, forecasting, academic performance

## A corrigendum on

## Artificial neural network model to predict student performance using nonpersonal information

by Chavez, H., Chavez-Arias, B., Contreras-Rosas, S., Alvarez-Rodríguez, J. M., and Raymundo, C. (2023). *Front. Educ.* 8:1106679. doi: 10.3389/feduc.2023.1106679

In the published article, the **Acknowledgment Statement** was mistakenly not included in the publication. The missing statement appears below:

## Acknowledgments

“The authors would like to thank the Research Directorate of the Universidad Peruana de Ciencias Aplicadas for the support provided to carry out this research work through the UPC-EXPOST-2023-1 incentive.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
