peer rejection, aggression, physical abuse, violence acceptance, social networks

A Corrigendum on

The cycle of violence: effects of violence experience, behavior, and attitudes on adolescents' peer rejection networks

by Favre, C. A., Garrote, A., Kassis, W., Bacher, J., Wullschleger, A., and Aksoy, D. (2024). *Front. Educ.* 9:1359558. doi: 10.3389/feduc.2024.1359558

In the published article, [Table 6](#) was mistakenly not included in the publication. The missing material appears below:

TABLE 6 Average parameter estimates for aggression dynamics.

Parameter	Peer rejection networks	
	Est.	SE
Aggression dynamics		
Linear shape	-0.24	0.19
Quadratic shape	0.41***	0.11
Indegree effect	-0.11	0.07
Outdegree effect	0.11*	0.05
Total alter aggression	0.15	0.10
Effect from gender	0.40*	0.16
Effect from abuse experience	0.13	0.17
Effect from violence acceptance	0.30**	0.11

* $p < 0.05$, ** $p < 0.01$, *** $p < 0.001$; all convergence t ratios < 0.1 ; overall maximum convergence ratio 0.21.

In the published article, there was an error. The text refers to the wrong table. A correction has been made to **Results, Descriptives**, Paragraph 1. This sentence previously stated:

“Table 1 presents the descriptive statistics, including the means and standard deviations, of the variables used in this study.”

The corrected sentence appears below:

“Table 2 presents the descriptive statistics, including the means and standard deviations, of the variables used in this study.”

In the published article, there was an error. The text refers to the wrong table. A correction has been made to **Results, Descriptives**, Paragraph 2. This sentence previously stated:

“Table 2 shows the correlations between the variables used.”

The corrected sentence appears below:

“Table 3 shows the correlations between the variables used.”

In the published article, there was an error. The text refers to the wrong table. A correction has been made to **Results, Descriptives**, Paragraph 3. This sentence previously stated:

“Table 3 provides information about the rejection networks, among them the average number of classmates rejected by each student (2.02) and the average degree of the rejection networks per measurement point (2.07 at Wave 1; 1.97 at Wave 2).”

The corrected sentence appears below:

“Table 4 provides information about the rejection networks, among them the average number of classmates rejected by each student (2.02) and the average degree of the rejection networks per measurement point (2.07 at Wave 1; 1.97 at Wave 2).”

In the published article, there was an error. The text refers to the wrong table. A correction has been made to **Results, Rejection dynamics: network effects**. This sentence previously stated:

“The average parameter estimates for rejection dynamics is presented in the first part of Table 4.”

The corrected sentence appears below:

“The average parameter estimates for rejection dynamics is presented in the first part of Table 5.”

In the published article, there was an error. The text refers to the wrong table. A correction has been made to **Results, Rejection dynamics: selection effects**. This sentence previously stated:

“The first part of Table 4 also describes characteristics of adolescents and selection effects that influence changes in rejection networks.”

The corrected sentence appears below:

“The first part of Table 5 also describes characteristics of adolescents and selection effects that influence changes in rejection networks.”

In the published article, there was an error. The text refers to the wrong table. A correction has been made to **Results, Aggression dynamics**. This sentence previously stated:

“Table 5 shows the average parameter estimates for the behavior variable aggression to answer R3.”

The corrected sentence appears below:

“Table 6 shows the average parameter estimates for the behavior variable aggression to answer R3.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
