A corrigendum on

Sparse system identification of leptin dynamics in women with obesity

by Amin MR, Pednekar DD, Azgomi HF, van Wietmarschen H, Aschbacher K and Faghih RT
(2022). *Front. Endocrinol.* 13:769951. doi: 10.3389/fendo.2022.769951

In the published article, there were two errors. The errors are in two of the equations,

A correction has been made to Methods, Leptin Model Formulation, Paragraph 1,
Equation (2). This sentence (equation) previously stated:

$$\frac{dx_2(t)}{dt} = -\gamma_1 x_1(t) + \gamma_2 x_2(t) \ (plasma) \tag{2}$$

The corrected sentence (equation) appears below:

$$\frac{dx_2(t)}{dt} = +\gamma_1 x_1(t) - \gamma_2 x_2(t) \quad (plasma) \tag{2}$$

A correction has been made to Methods, Cortisol Model Formulation, Paragraph 1,
Equation (6). This sentence (equation) previously stated:

$$\frac{dx_4(t)}{dt} = \psi_1 x_3(t) + \psi_2 x_4(t) \ (Serum) \tag{6}$$

The corrected sentence (equation) appears below:

$$\frac{dx_4(t)}{dt} = \psi_1 x_3(t) - \psi_2 x_4(t) \quad (Serum) \tag{6}$$

The original article has been updated.
