A Corrigendum on

Infertility in Fabry's disease: role of hypoxia and inflammation in determining testicular damage

By Sansone L, Barreca F, Belli M, Aventaggiato M, Russo A, Perrone GA, Russo MA, Tafani M and Frustaci A (2024). *Front. Endocrinol.* 15:1340188. doi: 10.3389/fendo.2024.1340188

In the published article, there was an error in affiliation 4. Instead of “Department of Pathologic Anatomy, IRCCS Regina Elena, Rome, Italy”, it should be “UOC of Pathologic Anatomy, IRCCS Regina Elena National Cancer Institute, Rome, Italy”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
