KEYWORDS

metabolic syndrome, ethylene oxide, inflammation, epidemiology, NHANES

A Corrigendum on:

Positive association between blood ethylene oxide levels and metabolic syndrome: NHANES 2013-2020

By Zhou C, Wang S, Ju L, Zhang R, Yang Y, Liu Y. *Front. Endocrinol.* 15:1365658. doi: 10.3389/fendo.2024.1365658

In the published article, there was an error in the second affiliation. Instead of “Department of General Surgery, Affiliated Hospital of Southwest Jiaotong University, College of Medicine, Southwest Jiaotong University, Chengdu, Sichuan, China”, it should be “Department of General Surgery, The Third People's Hospital of Chengdu, Affiliated Hospital of Southwest Jiaotong University, College of Medicine, Southwest Jiaotong University, Chengdu, Sichuan, China”.

In the published article, there was an error in Yanjun Liu's affiliation. Yanjun Liu was not affiliated with “College of Medicine, Southwest Jiaotong University, Chengdu, Sichuan, China” and this has been removed from his affiliations.

The authors apologize for these errors and state that they do not change the scientific conclusions of the article in any way. The original article has been updated.
