KEYWORDS

multi-omics analysis, cellular metabolism, glioma, single-cell, biomarker

A Corrigendum on:

Alterations in cellular metabolism under different grades of glioma staging identified based on a multi-omics analysis strategy

By Yan X, Li J, Zhang Y, Liang C, Liang P, Li T, Liu Q and Hui X (2023). *Front. Endocrinol.* 14:1292944. doi: 10.3389/fendo.2023.1292944

In the published article, there was an error in Supplementary Tables 1 and 3. The copied tables did not contain a reference to the original research paper that they were copied from Björkblom et al., 2022.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
