Keywords: Clifford geometric algebra, support vector regression, fuzzy membership, multi-output, electric load forecasting

A corrigendum on

Clifford Fuzzy Support Vector Machine for Regression and Its Application in Electric Load Forecasting of Energy System

by Wang, R., Xia, X., Li, Y., and Cao, W. (2021). *Front. Energy Res.* 9:793078. doi:10.3389/fenrg.2021.793078

In the original article, the authors neglected to include the following **Funding** statement: “National Natural Science Foundation of China, 61771299 and 61771322” to Rui Wang, Xiaoyi Xia, Yanping Li, Wenming Cao. Please see the full corrected statement below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

FUNDING

The authors declare that they received funding from the National Natural Science Foundation of China, 61771299 and 61771322, to the authors RW, XX, YL and WC.
