KEYWORDS

distributed photovoltaic, distribution network, user-defined modeling, dynamic equivalent, transient simulation

A Corrigendum on

[Equivalent of distribution network with distributed photovoltaics for electromechanical transient study based on user-defined modeling](#)

by Jiang Z, Zhao K, He Z, Zhang Z and Zhou N (2023). *Front. Energy Res.* 11:1119254. doi: [10.3389/fenrg.2023.1119254](#)

In the original article, there was an error in **Affiliation 1**. Instead of “Electric Power Research Institute, Jinan, China”, it should be “Power Grid Technology Center, State Grid Shandong Electric Power Research Institute, Jinan, China”.

In the original article, there was an error regarding the Affiliation for Zhenghua He*. As well as having affiliation(s) [2], they should also have “School of Electrical Engineering, Shandong University, Jinan, China”.

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
