## KEYWORDS

urban sustainability, SDGs, bibliometric analysis, data driven, advanced review

## A Corrigendum on

[Data-driven comparison of urban sustainability towards sustainable urban development under sustainable development goals \(SDGs\): a review based on bibliometric analysis](#)

by Wang D, Dong L and Di S (2023). *Front. Energy Res.* 11:1168126. doi: [10.3389/fenrg.2023.1168126](#)

In the published article, there was an error in the **Funding** statement. The funding number (SSYJC790120) is incorrect. The correct sentence in Funding statement appears below:

“DW also thanks the support by Humanities and Social Sciences Youth Foundation, Ministry of Education of People’s Republic of China (22YJC790120).”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
