A Retraction of the Original Research Article

Prospects of bioenergy production from organic waste using anaerobic digestion technology: a mini review

by Uddin MN, Siddiki SYA, Mofijur M, Djavanroodi F, Hazrat MA, Show PL, Ahmed SF and Chu Y-M (2021). *Front. Energy Res.* 9:627093. doi: [10.3389/fenrg.2021.627093](https://doi.org/10.3389/fenrg.2021.627093)

The Journal retracts the 2021 article cited above.

Following publication, the publisher found evidence of multiple undisclosed conflicts of interest that undermined the integrity of the peer review process. As the scientific integrity of the article cannot be guaranteed, and in adherence to the recommendations of the Committee on Publication Ethics (COPE), the article is retracted.

This retraction was approved by the Chief Executive Editor of Frontiers. The authors received a communication regarding the retraction and had a chance to respond. This communication has been recorded by the publisher.
