Expression of Concern: Grey wolf optimization–based deep echo state network for time series prediction

Frontiers Editorial Office*

An Expression of Concern on Grey wolf optimization–based deep echo state network for time series prediction

by Chen X and Zhang H (2022). *Front. Energy Res.* 10:858518. doi: [10.3389/fenrg.2022.858518](https://doi.org/10.3389/fenrg.2022.858518)

With this notice, Frontiers states its awareness of concerns regarding the content of the article “Grey Wolf Optimization–Based Deep Echo State Network for Time Series Prediction” published on 11 March 2022. Our Research Integrity team will conduct an investigation in full accordance with our procedures. The situation will be updated as soon as the investigation is complete.
