## KEYWORDS

rangeland rehabilitation, rangeland deterioration, ecosystem, livestock, economy

## A Corrigendum on Veld restoration strategies in South African semi-arid rangelands. Are there any successes?—A review

by Mudau HS, Ravhuhali KE, Sipango N, Mokoboki HK and Moyo B (2022). *Front. Environ. Sci.* 10:960345. doi: 10.3389/fenvs.2022.960345

In the original article, author **Ntokozo Happy Msiza** was erroneously excluded. The corrected author list appears above. The order in the author list has also been modified.

The **author contribution** statement is subsequently corrected as follows:

“Conceptualization, HSM, NHM, NS, KER, HKM, and BM; Validation, HSM, NHM, NS, KER, HKM, and BM; Data curation, HSM, NHM, NS, KER, HKM, and BM; Writing—original draft preparation, HSM, NHM, NS, and KER; Writing—review and editing, HSM, NHM, NS, KER, HKM, and BM; Visualization, HSM, KER, and NS; Supervision, KER, HKM, and BM. All authors have read and agreed to the published version of the manuscript.”

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
