# Retraction: G-20 economies and their environmental commitments: fresh analysis based on energy consumption and economic growth

Frontiers Editorial Office\*

## A Retraction of the Original Research Article

[G-20 economies and their environmental commitments: fresh analysis based on energy consumption and economic growth](https://doi.org/10.3389/fenvs.2022.983136)

by Li P, Akhter MJ, Aljarba A, Akeel H and Khoj H (2022). *Front. Environ. Sci.* 10:983136. doi: [10.3389/fenvs.2022.983136](https://doi.org/10.3389/fenvs.2022.983136)

The journal retracts the 2022 article cited above.

Following publication, concerns were raised regarding the contributions of the authors of the article. Our investigation, conducted in accordance with Frontiers policies, confirmed a serious breach of our authorship policies and of publication ethics; the article is therefore retracted.

This retraction was approved by the Chief Editors of Frontiers in Environmental Science and the Chief Executive Editor of Frontiers. The authors do not agree to this retraction.
