# Retraction: The effects of financial development and pandemics prevalence on forests: evidence from Asia-Pacific region

Frontiers Editorial Office\*

## A Retraction of the Original Research Article

[The effects of financial development and pandemics prevalence on forests: evidence from Asia-Pacific region](#)

by Wang J, Khan YA, Khodaei M, Khezr S, Karimi MS and Salem S (2022). *Front. Environ. Sci.* 10: 850724. doi: [10.3389/fenvs.2022.850724](https://doi.org/10.3389/fenvs.2022.850724)

The journal retracts the 2022 article cited above.

Following publication, concerns were raised regarding the contributions of the authors of the article. Our investigation, conducted in accordance with Frontiers policies, confirmed a serious breach of our authorship policies and of publication ethics; the article is therefore retracted.

This retraction was approved by the Chief Executive Editor of Frontiers. The authors do not agree to this retraction.
