# Corrigendum: The influence and continuance intention of the e-government system: a case study of community water supply business

Narongsak Sukma and Adisorn Leelasantitham\*

Technology of Information System Management Division, Faculty of Engineering, Mahidol University, Nakhonpathom, Thailand

## KEYWORDS

government services, public e-services, continuance intention, participation intention, Expectation Confirmation Theory, Commitment-Trust Theory, community water supply business

## A Corrigendum on

### The influence and continuance intention of the e-government system: a case study of community water supply business

by Sukma N and Leelasantitham A (2022). *Front. Environ. Sci.* 10:918981. doi: 10.3389/fenvs.2022.918981

In the published article, there was a mistake in the exemption protocol number mentioned in **section in 4.3** Data Testing and Institutional Review Board: IRB, (MU-CIRB exemption protocol number: 2021/362.1108). The corrected sentence appears below.

“The Institutional Review Board of Mahidol University authorized the questionnaire and assigned it the approval number COE No. MU-CIRB 2021/249.2709.”

In the published article, there was an error in the approval number mentioned in the **Data availability statement**, MU-CIRB 2021/362.1108. The correct Data availability statement appears below.

## Data availability statement

The data analyzed in this study cannot be shared publicly because of the Personal Data Protection Act and is managed by the Institutional Review Board of Mahidol University, which authorized the questionnaire and assigned it the approval number COE No. MU-CIRB 2021/249.2709 only.

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
