Retraction: Investigating the impact of monetary progress on ecological excellence in Malaysia: employing financial maturity, and biological variation

Frontiers Editorial Office*

A Retraction of the Original Research Article

[Investigating the impact of monetary progress on ecological excellence in Malaysia: employing financial maturity, and biological variation](#)

by Wang L, Guo J, Ahmad M and Khan YA (2022). *Front. Environ. Sci.* 10:852379. doi: [10.3389/fenvs.2022.852379](https://doi.org/10.3389/fenvs.2022.852379)

The journal retracts the 2022 article cited above.

Following publication, concerns were raised regarding the contributions of the authors of the article. Our investigation, conducted in accordance with Frontiers policies, confirmed a serious breach of our authorship policies and of publication ethics; the article is therefore retracted.

This retraction was approved by the Chief Executive Editor of Frontiers. The authors received a communication regarding the retraction and had a chance to respond. This communication is recorded by the publisher.
