Himalayan region, plant community, Conservation Priority Index, endemism, threatened species

A corrigendum on

Conservation Priority Index of species, communities, and habitats for biodiversity conservation and their management planning: a case study in Gulmarg Wildlife Sanctuary, Kashmir Himalaya

by Wani, Z. A., Bhat, J. A., Negi, V. S., Satish, K. V., Siddiqui, S., and Pant, S. (2022). *Front. For. Glob. Change* 5:995427. doi: 10.3389/ffgc.2022.995427

In the published article, there was an error in the **Funding** statement. The grant number was incorrectly written as “Small Groups Project under grant number (R.G.P.1/360/43).” The correct **Funding** statement appears below.

Funding

The authors extend their appreciation to the Deanship of Scientific Research at King Khalid University for funding this work through a Large Group Research Project under grant number (RGP2/90/44).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
