In the original article, there was an error. The analyses accession number in the DATA AVAILABILITY STATEMENT section was wrong.

A correction has been made to DATA AVAILABILITY STATEMENT:

The detailed information of SNP2 can be found in the European Variation Archive database. Project: PRJEB33081; Analysis Accession: ERZ3224744.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
