Retraction: Leukocyte telomere length and obesity in children and adolescents: a systematic review and meta-analysis

Frontiers Editorial Office*

A Retraction of the Systematic Review Article

Leukocyte telomere length and obesity in children and adolescents: a systematic review and meta-analysis

by Kahrizi MS, Patra I, Jalil AT, Achmad H, Alesaeidi S, Al-Gazally ME and Alesaeidi S (2022). *Front. Genet.* 13:861101. doi: 10.3389/fgene.2022.861101

The journal retracts the 2022 article cited above.

Following publication, concerns were raised regarding the contributions of the authors of the article. Our investigation, conducted in accordance with Frontiers policies, confirmed a serious breach of our authorship policies and of publication ethics; the article is therefore retracted.

This retraction was approved by the Chief Editors of Frontiers in Genetics and the Chief Executive Editor of Frontiers. The authors have not responded to correspondence regarding this retraction.
