lipid metabolism, transcriptome, systems biology, interactive bipartite network, omics multilayer

A Corrigendum on

Omics multi-layers networks provide novel mechanistic and functional insights into fat storage and lipid metabolism in poultry

by Ghafouri F, Bahrami A, Sadeghi M, Miraei-Ashtiani SR, Bakherad M, Barkema HW and Larose S (2021). *Front. Genet.* 12:646297. doi: 10.3389/fgene.2021.646297

In the published article, there was an error in **Affiliation 2**. Instead of “Biomedical Center for Systems Biology Science Munich, Ludwig-Maximilians-University, Munich, Germany,” it should be “Nuclear Agriculture Research School, Nuclear Science and Technology Research Institute, Karaj, Iran.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
