A corrigendum on

Loss of form vision impairs spatial imagery

by Occelli, V., Lin, J. B., Lacey, S., and Sathian, K. (2014). *Front. Hum. Neurosci.* 8:159. doi: 10.3389/fnhum.2014.00159

In the Results section, the mean SBSOD scores are erroneously reported as

percentages (73 and 69%). The actual values are 73 and 69.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.

Received: 02 July 2014; accepted: 14 July 2014; published online: 21 August 2014.
