In the published article, there was an error in affiliation 1. Instead of “Department of Otorhinolaryngology-Head and Neck Surgery, Seoul National University Hospital, Seoul, South Korea”, it should be “Department of Otorhinolaryngology-Head and Neck Surgery, Seoul National University Bundang Hospital, Seongnam, South Korea”. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

The original article has been updated.
