## KEYWORDS

premature ovarian failure, mesenchymal stem cells, ovary, ovarian function, bone marrow

## A Corrigendum on

### Bone marrow mesenchymal stem cells in premature ovarian failure: Mechanisms and prospects.

By Huang Y, Zhu M, Liu Z, Hu R, Li F, Song Y, Geng Y, Ma W, Song K and Zhang M (2022) *Front. Immunol.* 13:997808. doi: 10.3389/fimmu.2022.997808

In the published article, there was an error in the Funding statement. It was incorrectly stated that “This work was supported by the National Natural Science Foundation of China, No. 8190141809” instead of “This work was supported by the National Natural Science Foundation of China, No. 81904008.” The correct Funding statement appears below.

## Funding

This work was supported by the National Natural Science Foundation of China, No. 81904008.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
