A Corrigendum on

Increased levels of interleukin-36 in obesity and type 2 diabetes fuel adipose tissue inflammation by inducing its own expression and release by adipocytes and macrophages.

by Frühbeck G, Gómez-Ambrosi J, Ramírez B, Mentxaka A, Rodríguez A, Becerril S, Reina G, Valentí V, Moncada R, Silva C and Catalán V (2022) *Front. Immunol.* 13:832185.

In the published article, there was an error in the Funding statement. Instead of “Instituto de Salud Carlos III”, the correct name for the funder is “Spanish Instituto de Salud Carlos III–Subdirección General de Evaluación y Fomento de la investigación–FEDER”. The correct Funding statement appears below.

Funding

Funded by Spanish Instituto de Salud Carlos III–Subdirección General de Evaluación y Fomento de la investigación–FEDER (project PI19/00785, PI20/00080 and PI20/00927) and CIBEROBN. Funding sources had no role in manuscript writing or the decision to submit it for publication.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Conflict of interest

The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
