KEYWORDS

interstitial lung disease, p21, p16, senescence-associated secretory phenotype, type 2 alveolar epithelial cell, IL-6, interstitial macrophages

A Corrigendum on

Senescence of alveolar epithelial cells impacts initiation and chronic phases of murine fibrosing interstitial lung disease

by Yamada Z, Nishio J, Motomura K, Mizutani S, Yamada S, Mikami T and Nanki T (2022) *Front. Immunol.* 13:935114. doi: 10.3389/fimmu.2022.935114

In the published article, there were errors in the approval numbers by Animal Experiment User Committee.

A correction has been made to **Materials and methods**, *Mice*. The numbers were incorrectly written as “Approval number: 19-12-432, 20-12-432 and 21-12-432”. The correct numbers are “Approval numbers: 19-41-432, 20-42-432 and 21-43-432.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
