tuberculosis, immuno-diagnosis, current trends, potential markers, future directions

An erratum on:

Editorial: Immuno-diagnosis of active tuberculosis; are we making progress?

by Mayanja-Kizza H, Cardona P-J and Chegou NN (2023) *Front. Immunol.* 14:1092651.
doi: 10.3389/fimmu.2023.1092651

Due to a production error, there was an error in affiliation 7. Instead of “DSI-NRF Centre of Excellence for Biomedical Tuberculosis Research South African Medical Research Council Centre for Tuberculosis Research, South African, South Africa”, it should be “DSI-NRF Centre of Excellence for Biomedical Tuberculosis Research South African Medical Research Council Centre for Tuberculosis Research, Cape Town, South Africa”.

The publisher apologizes for this mistake.
