A Corrigendum on

Defining discriminatory antibody fingerprints in active and latent tuberculosis

by Nziza N, Cizmeci D, Davies L, Irvine EB, Jung W, Fenderson BA, de Kock M, Hanekom WA, Franken KLMC, Day CL, Ottenhoff THM and Alter G (2022) *Front. Immunol.* 13:856906. doi: 10.3389/fimmu.2022.856906

In the published article, there was an error in Supplemental Table 1 as published. An incorrect antigen was added to the list: Rv1926. The corrected Supplemental Table 1, without Rv1926 and its caption "List of Mtb proteins" are attached.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
