Science and Technology, Shenzhen, China

KEYWORDS

single-cell sequencing, tumor microenvironment, clinical applications, precision
medicine, immunological therapy

A Corrigendum on

**Application of single-cell sequencing to the research of
tumor microenvironment**

By Chen S, Zhou Z, Li Y, Du Y and Chen G (2023) *Front. Immunol.* 14:1285540.
doi: 10.3389/fimmu.2023.1285540

In the published article, there was an error in affiliation 1. Instead of “**Department of Human Cell Biology and Genetics, Joint Laboratory of Guangdong-Hong Kong Universities for Vascular Homeostasis and Diseases, School of Medicine, Southern University of Science and Technology, Shenzhen, China**”, it should be “**Department of Human Cell Biology and Genetics, Joint Laboratory of Guangdong-Hong Kong Universities for Vascular Homeostasis and Diseases, School of Medicine, Southern University of Science and Technology, Shenzhen, China**”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
