An Erratum on

Dual stimulation by autoantigen and CpG fosters the proliferation of exhausted rheumatoid factor-specific CD21^{low} B cells in hepatitis C virus-cured mixed cryoglobulinemia

by Del Padre M, Marrapodi R, Minafò YA, Piano Mortari E, Radicchio G, Bocci C, Gragnani L, Camponeschi A, Colantuono S, Stefanini L, Basili S, Carsetti R, Fiorilli M, Casato M and Visentini M (2023) *Front. Immunol.* 14:1094871. doi: 10.3389/fimmu.2023.1094871

Due to a production error, the originally published document included a mistake in the affiliation 3. Instead of “B cell unit, Immunology Research Area, IRCCS Bambino Gesù Children’s Hospital, Florence, Italy”, the correct affiliation is “B cell unit, Immunology Research Area, IRCCS Bambino Gesù Children’s Hospital, Rome, Italy”.

The publisher apologizes for this mistake.
