A Corrigendum on

Deciphering decidual leukocyte traffic with serial intravascular staining

By Vazquez J, Mohamed MA, Banerjee S, Keding LT, Koenig MR, Leyva Jaimes F, Fisher RC, Bove EM, Golos TG and Stanic AK (2024) *Front. Immunol.* 14:1332943. doi: 10.3389/fimmu.2023.1332943

In the published article, there was an error in the Funding statement. Authors mistakenly omitted funding sources and read as follows: “This research was supported by NIH grants T32 HD1013840 to J.V., T32 GM007133 to M.R.K., R21AI175753 to T.G.G and A.S., and P51 OD011106 to the Wisconsin National Primate Research Center. The content is solely the responsibility of the authors and does not necessarily represent the official views of the NIH.”

The correct Funding statement appears below.

Funding

The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This research was supported by NIH grants T32 HD101384 to JV, T32 GM007133 to MK, R21AI175753 to TG and AS, R01HL163623 to AS and P51 OD011106 to the Wisconsin National Primate Research Center. Additional support was provided by Wisconsin National Primate Research Center pilot grant MSN252694 to AS

and TG and Burroughs Wellcome Fund Preterm Birth Initiative (1019835) to AS. The content is solely the responsibility of the authors and does not necessarily represent the official views of the NIH.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
