deubiquitination, ubiquitin-specific proteases, inflammatory diseases, protein stability, targeted therapies

A Corrigendum on

Roles of ubiquitin-specific proteases in inflammatory diseases

By Chen R, Zhang H, Li L, Li J, Xie J, Weng J, Tan H, Liu Y, Guo T and Wang M (2024) *Front. Immunol.* 15:1258740. doi: 10.3389/fimmu.2024.1258740

In the published article, there was an error regarding the affiliation(s) for Huan Tan. As well as having affiliation 1, they should also have affiliation 3 “College of Medicine, Southwest Jiaotong University, Chengdu, Sichuan, China”.

In the published article, there was an error regarding the affiliation(s) for Yanjun Liu. As well as having affiliation 3, they should also have affiliation 1 “Center of Obesity and Metabolic Diseases, Department of General Surgery, The Third People's Hospital of Chengdu, Affiliated Hospital of Southwest Jiaotong University, Chengdu, China”.

In the published article, there was an error regarding the affiliation(s) for Tailin Guo. As well as having affiliation(s) 1, they should also have affiliation 3 “College of Medicine, Southwest Jiaotong University, Chengdu, Sichuan, China”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
