## KEYWORDS

xenotransplantation, immune rejection, cytokines, IL-17, TNF- $\alpha$ , PAECs, inflammation, coagulation

## A corrigendum on

**Human IL-17 and TNF- $\alpha$  additively or synergistically regulate the expression of proinflammatory genes, coagulation-related genes, and tight junction genes in porcine aortic endothelial cells**

by Li W, Chen P, Zhao Y, Cao M, Hu W, Pan L, Sun H, Huang D, Wu H, Song Z, Zhong H, Mou L, Luan S, Chen X and Gao H (2022) *Front. Immunol.* 13:857311. doi: 10.3389/fimmu.2022.857311

In the published article, there was an error in the Funding statement. We had missed writing a fund, the Scientific Research Projects of Medical and Health Institutions of Longhua District, Shenzhen (2021014). The correct Funding statement appears below:

## Funding

This work was supported by grants from the National Natural Science Foundation of China (grant/award numbers 81902021, 81902558, and 81801474), Guangdong Basic and Applied Basic Research Foundation (grant/award numbers 2019A1515011009,

2021A1515010683, 2020A1515010225, and 2021A1515010955), Shenzhen Foundation of Science and Technology (grant/award numbers JCYJ20180306172449376, JCYJ20180306172459580, JCYJ20180306172419505, and JCYJ20180306172502097), Shenzhen Longhua District Foundation of Science and Technology (grant/award number SZLHQJCYJ202002), the Scientific Research Projects of Medical and Health Institutions of Longhua District, Shenzhen (2021014), Longhua District Key Laboratory of Genomics and Precision Medicine (grant/award number 20170913A0410026), and Shenzhen Longhua District Key Laboratory for diagnosis and treatment of chronic kidney disease (grant/award number 2022-7).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
