Pacific oyster larvae, probiotics, immune response, *Vibrio coralliilyticus*, aquaculture

A Corrigendum on

Immunomodulatory effects of a probiotic combination treatment to improve the survival of Pacific oyster (*Crassostrea gigas*) larvae against infection by *Vibrio coralliilyticus*

By Hesser J, Mueller RS, Langdon C and Schubiger CB (2024). *Front. Immunol.* 15:1380089. doi: 10.3389/fimmu.2024.1380089

In the published article, there was an error. Under **Author contributions** section, “conceptualization” was not included for author CS.

A correction has been made to **Author contributions**. This sentence previously stated: “CS: Funding acquisition, Resources, Supervision, Writing – review & editing, Project administration.”

The corrected sentence appears below:

“CS: Conceptualization, Funding acquisition, Resources, Supervision, Writing – review & editing, Project administration.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
