## KEYWORDS

Human papillomavirus, infection, autoimmunity, primary Sjogren's Syndrome, cohort study

## A Corrigendum on

**Risk of primary Sjogren's Syndrome following human papillomavirus infections: a nationwide population-based cohort study**

by Chen H-H, Ma KS-K, Dong C, Chang W-J, Gao K-R, Perng W-T, Huang J-Y and Wei JC-C (2022). *Front. Immunol.* 13:967040. doi: 10.3389/fimmu.2022.967040

In the published article, there was an error regarding the affiliations for authors Jing-Yang Huang and James Cheng-Chung Wei. Affiliation 8 has been removed from their affiliations.

In the published article, there was an error in affiliation 8. Instead of "Center for Health Data Science, Chung Shan Medical University Hospital, Taichung, Taiwan", it should be "National Pingtung University of Science and Technology, Department of Recreational Sport & Health Promotion, Pingtung, Taiwan".

The authors apologize for these errors and state that they do not change the scientific conclusions of the article in any way. The original article has been updated.
