Corrigendum on

Identifying risk factors for secondary infection post-SARS-CoV-2 infection in patients with severe and critical COVID-19

By Guo M, Gao M, Gao J, Zhang T, Jin X, Fan J, Wang Q, Li X, Chen J and Zhu Z (2021) *Front. Immunol.* 12:715023. doi: 10.3389/fimmu.2021.715023

In the published article, there was an error in the **Funding** statement. The incorrect grant number for the funding received by the National Natural Science Foundation of China was listed. The correct **Funding** statement appears below.

“This work was supported by grants from the National Natural Science Foundation of China (NSFC, 82101847), the Emergency Project of Shanghai Science and Technology Commission (No. 20411950502), the Shanghai Sailing Program (No. 21YF1438800) and Project of Shanghai Public Health Clinical Center (No. KY-GW-2020-15).”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
