Incorrect funding

In the published article, there was an error in the Funding statement. The incorrect Funding statement read: “This study was funded by PRIMROSE (EC Interreg Atlantic Area EAPA 182/2016. MR was also funded by the Basque Government (Spain), through the project “BIOTOX” from the European Maritime and Fisheries Fund (EMFF-00002-INA2021-33).”

The correct Funding statement appears below.

This study was funded by PRIMROSE (EC Interreg Atlantic Area EAPA 182/2016). MR was funded by the Basque Government (ES), through the project “BIOTOX” from the European Maritime and Fisheries Fund (EMFF-00002-INA2021-33). SH was also funded by the project CoCliME which is part of ERA4CS, an ERA-NET initiated by JPI Climate, and funded by EPA (IE), ANR (FR), BMBF (DE), UEFISCDI (RO), RCN (NO), and FORMAS (SE), with co-funding by the European Union (Grant 690462).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
