## KEYWORDS

North Atlantic, Arctic Ocean, Nordic Seas,  $^{137}\text{Cs}$ , compartment model, dynamic food web model, classification

## A corrigendum on

[Transport and fate of  \$^{137}\text{Cs}\$  released from multiple sources in the North Atlantic and Arctic Oceans](#)

by Maderich V, Kim KO, Bezhenar R, Jung KT, Martazinova V and Brovchenko I (2021). *Front. Mar. Sci.* 8:806450. doi: 10.3389/fmars.2021.806450

## Incorrect funding

In the published article, there was an error in the Funding statement. The original statement read:

## Funding

This study was partially supported by the National Research Foundation of Ukraine project no. 2020.02/0048 (VIM), Grant for the Group of Young Scientists from the National Academy of Sciences of Ukraine (RB), KIOST major project PE99912 (KK), IAEA CRP K41017 (VIM), and HORIZON-2020 Grant no. 101003590 (IB).

The correct Funding statement appears below.

## Funding

This study was partially supported by the National Research Foundation of Ukraine project no. 2020.02/0048 (VIM), Grant for the Group of Young Scientists from the National

Academy of Sciences of Ukraine (RB), KIOST major project PE99912 (KK), IAEA CRP K41017 (VIM), and the European Union's Horizon 2020 research and innovation programme under grant agreement No 101003590 (IB).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
