KEYWORDS

helmholtz resonator, duct muffler, ventilation duct, sound absorption, porous material

A Corrigendum on Barrier-free duct muffler for low-frequency sound absorption

by Cong Gao, Chuangeng Hu, Jun Mei, Bo Hou, Xianli Zhang, Zhanhang Du and Weijia Wen (2022). *Front. Mater.* 9:991959. doi: 10.3389/fmats.2022.991959

In the original article, there was an error regarding the **Affiliation** for “Xianli Zhang.” As well as having **Affiliation [3]**, it should be

“Department of Physics, Hong Kong University of Science and Technology, Hong Kong, China.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
