## A Corrigendum on

### Effect of grain size distribution on the shear properties of sand

by Guo H, Wang S, Guo C, Yang K, Guo R, Fu J, Nan Y and Tao M (2023). *Front. Mater.* 10:1219765.

In the published article, there was an error in **Figure 4** as published. The caption of **Figure 4** in the published article is “Discrete model of 4 types of sands: (A) Gradation A; (B) Gradation A; (C) Gradation A; (D) Gradation (A).” The corrected caption of **Figure 4** is “Discrete model of 4 types of sands: (A) Gradation A; (B) Gradation B; (C) Gradation C; (D) Gradation D.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
